

Editor's Comment:

I have reviewed the manuscript entitled: Analysis of Hematological Indices of Pregnant Women Attended Antenatal Care in General Hospital Dutsin-Ma, Katsina State. in its first version and the corrected version, as well as the comments of the reviewers.

It is an interesting study, with an important local impact for the scientific community to which the authors belong.

They have made all the changes requested by the reviewers and the manuscript meets the quality criteria to **be published in the journal.**
