

**Editor's Comment:**

**The final decision for manuscript number 2020AIR56548** entitled "Effect of Probiotics on Growth Performance and Carcass Characteristics in Broilers at Farmer's Door" written by Hemant Kumar and Shikha Kumari.

Following the evaluation of all documents related to the manuscript, I agree with the reviewers that the manuscript is acceptable for publishing in Advances in Research. The authors corrected it following suggestions and requirements of the Reviewers. However, one of the reviewers rises that the manuscript contains a small set of results. I agree with it, and the manuscript can be considered only as a Short research article.

**My decision is: Acceptas it is but as a Short research article.**
