

**Editor's Comment:**

Please send me the revised version of the manuscript. In the attached files, «Revised-ms\_AJEBA\_60852\_v2.docx» is not a revised version, this text is almost identical to the one I reviewed. Therefore, I am not able to track any revisions made by the author. Look forward to receiving a revised paper from you. Thank you!

**Editor's Details:**

**Dr. Vasilii Erokhin**  
Harbin Engineering University, China
