

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Chemical Sciences
Manuscript Number:	Ms_AJOCS_59995
Title of the Manuscript:	A review of Potential of Lignocellulosic Biomass for Bioethanol Production in Kenya
Type of Article :	Review Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The improvement is noticeable, the manuscript goals are clearer. However, there are low quality images. I would like to recommend the authors to search more information about the Kenya situation to improve even more the manuscript quality. Now I can consider this manuscript as a review article, congrats.</p>	<p>Thanks. The quality of the images has been improved, and, additional information on bioethanol in Kenya has been added.</p>
