<p>Recommendations below are taken into account:</p> <p>1- There is no data on antibiotic resistance in this study. Therefore, I think it would be correct to put an appropriate title reflecting the current work.</p> <p>2- There is no need the column of total in Table 1.</p> <p>3- Generic names of drugs should be written instead of trade names (Figure 1).</p>	<p><i>I have effected the corrections. Thank you very much.</i></p>
