

**SDI Review Form 1.6**

Journal Name:	<a href="#">Asian Food Science Journal</a>
Manuscript Number:	Ms_AFSJ_59181
Title of the Manuscript:	Proximate Composition, Functionality and Pasting Properties of Orange Flesh Sweet Potato and Red Bambara Groundnut Flour Blends for Snacks Formulation
Type of the Article	Original Research Article

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/journal/10/editorial-policy> )

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>Was there a control with only potato and the groundnut flour or normal wheat pasta? What was there data?</p> <p>How did you conclude that? You didn't seem to have studied cooking time, energy required etc.</p> <p>The introduction should be reverse pyramidal in structure, i.e. from broader to more specific context of the work. Should be ideally one paragraph about 300-400 words short, precise. It should have a clear thesis statement, that is lacking in this case, it is usually the last line of the introduction that states the entire context of the work in one line, making a claim that the entire paper strives to prove</p> <p>Some recent papers on snacks and snacking could be cited, such as</p> <p>Arora M, Singhal S, Rasane P, Singh J, Kaur S, Kumar V, Kumar A, Mishra A (2020). Snacks and Snacking: Impact on Health of the Consumers and Opportunities for its Improvement. <i>Current Nutrition and Food Science</i>. <a href="https://doi.org/10.2174/1573401316666200130110357">10.2174/1573401316666200130110357</a></p> <p>Is this study specific to Nigeria?. If not only around the world will serve the purpose</p> <p>Same commen, if the product is not limited to Nigeria or if the ingredients are also available worldwide or PAN Africa, please write in global context</p> <p>There is no mention of control anywhere with either of the flours or wheat???</p> <p>Were the three sample derived from one experiment or three experiments giving one sample each?</p>	
<b>Minor</b> REVISION comments	Check the entire manuscript for English corrections, spelling errors and grammatical errors.	
<b>Optional/General</b> comments	NIL
