This is a very important aspect for a research article.</p> <p>The headings of the Discussion section need to reword and reorganise to make this study clearer and more focused. It is suggested to organise all the sub-headings under 3 main headings: Political, Administrative, and Economic since these words form the title of this research article.</p> <p>Please take note of language when using past tense for reporting the research and some words are inappropriate that needs to reword.</p> <p>The reference list should adhere to the correct format of APA/MLA or any and it should be standardised throughout the article.</p>	
<b>Minor</b> REVISION comments	Please avoid using contraction like 'etc'. Also, please take note the correct use of connectors like 'Besides' and 'However'.	
<b>Optional/General</b> comments	There is a need to improve academic writing in using correct style.
