PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. Follow the journal's guidelines and style of referencing and citation. 2. Only those references that were actually cited in the text should be included in the list of references. None of the 24 listed references was cited or mentioned in Sections 1-4 of the paper. Hence, there is a need to revise the paper. Incorporate the citations of some (if not all, and remove those that were not cited) of the listed references to the Introduction and Results and Discussion.	
Minor REVISION comments	1. In line 12 of the Introduction, the words "Government of Bangladesh Government" should be either "Government of Bangladesh" or "Bangladesh Government". 2. In the subsection Statistical Analysis (as well as under Table 3), the phrase "level of probability" should be changed into "level of significance". 3. In the "Characteristics of the Vegetable Growers" (subsection under Results and Discussion), all mentions of "Table 1" should be changed into "Table 2".	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
