PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. Remove respondents' demographic characteristics in the objective because significant relationship is not discussed. Just have its discussion in the Respondents of the study under Methodology. Therefore, remove it also from results and discussion, together with the Table 1. 2. Substantiate your topic by providing literatures about organic market/marketing of organic products in Turkey or in Europe. I have provided a link for a good material to incorporate. 3. Results and discussion must provide analysis of the data. Please see my comments in the manuscript.
