PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>First and foremost, I appreciate the opportunity given to me by the editor of this outlet to review this work. Thank you sir for this honour.</p> <p>Also, I would like to commend the efforts which the author has put into this work but I may not be able to proceed with the review until the nature of this work is made known. The paper is a mixture of both a review and descriptive study?</p> <p>Upon this background, I advise the author to find out what it takes to present both, pick one and adjust accordingly.</p> <p>If that is done, the paper can be forwarded to me again for review.</p> <p>Thank you</p>
