General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>It is an extraordinary care that is for sure, however, few points caught my attention.</p> <ol style="list-style-type: none"> 1) The baby was born after 31 weeks of gestational period; as per my concern it is a premature baby, yet authors have demanded it was a healthy baby (?). Please mention the parameter you used in this single delivery. 2) As per given X-ray, the child's lung seems underdeveloped or its heart is on the right side (dextrocardia), please clarify this. 3) Inclusion of detailed anaesthesia might increase the value of this article. 	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
