PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	<p>Manuscript presents insights that are important in present scenario, it remove the fear of ill effects of prolonged use of respiratory masks.</p> <p>I suggest to use tern 'respiratory mask' instead of 'face mask' in title and in the manuscript. Although the meaning is clear due to current pandemic situation, however, face mask can also mean various other masks not related to respiration.</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
