PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Compulsory Revision.</p> <p>Based on the research title, this study intended to present the implications of philately in promotion the protected natural areas (III), specifically at Cozia National Park. However, throughout the text, the author(s) only presented a series of interesting information about philately at the related site. No specific implications on promoting the protected natural areas are presented.</p> <p>The author(s) should provide the implications of philately in promoting the protected natural areas.</p> <p>No proper references were made. A total of 26 references, about 20 references were only a webpage link.</p> <p>This appeared to be a major revision is required by the author(s) to reconsider for publication.</p>	
Minor REVISION comments		
Optional/General comments
