**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>The article does not have the accurate approach to be a review of bioethanol production in Kenya. The author's just name it in the introduction, but the rest of the article does not show the importance or the development through time of the lignocellulosic biomass for bioethanol production in Kenya.</p> <p>The article is not strong enough. The authors should search more information, more up to date related articles.</p> <p>There are not enough references to support some ideas since the introduction. Some references are incomplete.</p> <p>The figures should be explained and named in the text, not just appeared in the article.</p>	
<b>Minor</b> REVISION comments	<p>The images are low quality You should draw your own structures to improve the image quality.</p>	
<b>Optional/General</b> comments	<p>Improve the use of punctuation marks.</p>
