PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Change the topic to "The Impact of Information and Communication Technology (ICT) on Staff Productivity: A Case Study of Benson Idahosa University, Benin City, Edo State."</p> <p>which criteria did you use to arrive at 2.5 as a mean value for benchmark, explain. (page 5. Under decision rule)</p>	
Minor REVISION comments	<p>The researcher ignores the aspect of teaching facilities and also attitudes of the learners as a factor to poor productivity.</p> <p>Also, in the questionnaire, the respondents agreed that there are POOR or NO ICT facilities in the University then, how can you measure productivity in a situation where the computers and internet are not available. Could this be a gap for further studies? (Grey area)</p> <p>Line 61 use layer instead of lay Line 72 use number instead of name (reference) Line 142 use centred instead of centre 148 use attributes instead of attributed 186 use know instead of known</p>	
Optional/General comments	<p>How did you arrive at the population you used for the study? Did you use random sampling, stratified or snowballing to get the population for data collection?</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
