

SDI Review Form 1.6

Journal Name:	Current Journal of Applied Science and Technology
Manuscript Number:	Ms_CJAST_53081
Title of the Manuscript:	Spatio-Temporal variation of vegetation in Godavari Eastern delta
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Line 11: Please give the full meaning of GVI Line 179 & 181; there seem to be a conflict in the information provided in these lines on location of the study area. Line 220 (Table 5): Include a column showing direction of change i.e. +ve or -ve.	
Minor REVISION comments		
Optional/General comments	The manuscript should be further reviewed by the author to a more acceptable level. The citation and reference content of the manuscript is rather too poor. The author should improve on these.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	
If plagiarism is suspected, please provide related proofs or web links.	A Turnitin plagiarism check indicates a similarity index level of 49% which is rather high.
