PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Perhaps it would be useful to expand a little on point 5 concerning "Innovation in Finance" in order to compensate for the length of the article.</p> <p>Although the bibliography used is current and related to the topic under study. It is advisable to consult documentation from International organizations on the subject, essentially the United Nations. This would give a more international view of the issue and complement the titles referred to.</p>	
Optional/General comments
