	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>Researchers should use better terminology like peer pressure instead of friends influence, Tobacco is just gateway drug and is not considered Illisit drug.                      Explain target group age. Proper definition of youth.                      Question need to be refraine                      What are the main causes of drug abuse among youth?                      What type of drugs are commonly abused by youth in study area?                      What is the perception of youth about drug abuse?                      What methods should be adopted to prevent and control drue abuse?                      Objectives 3&amp;4 need to be reframed again accordingly.</p> <p>Data should be revisited and questions related to abuse of drugs should me mention, data doesn't provide proper view of research.                      Conclusion should be mentioned                      Policy implications should be mentioned.</p>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments
