

**SDI Review Form 1.6**

Journal Name:	<a href="#">Journal of Applied Life Sciences International</a>
Manuscript Number:	Ms_JALSI_53233
Title of the Manuscript:	Evaluation of pollen and chemical composition of honey samples sourced from open markets in Anambra State, Nigeria to ascertain their authenticity
Type of the Article	Original Research Article

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</b>
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>In the abstract it stated that the aims of the study were to ascertain the predominant honey plants that served as major sources of nectar and or pollen to the honeybees and to determine the quantitative presence of some physico-chemical components of the honey samples. But the Conclusion was made on adulterations 'The honey samples are fresh and unadulterated, and were formed from multiple plant sources' That is a post-harvest activity.</li> <li>Follow the guidelines when using the references in text. If the references denoted in numbers, the numbers should be in the ascending order.</li> <li>Too many references were quoted for this paper.</li> <li>Table 2 was not referred in the text</li> </ol>	
<b>Minor</b> REVISION comments	Revisions has to be done as above comments	
<b>Optional/General</b> comments		

**PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</b>
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
