SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none"> 1- The presentation and the language need to improve. 2- Please check the article by Grammarly Program. 3- In page1, Please, check the reference Mirgichan James [7] you should write Mirgichan et.al (2019) and check the authors names from the source. 4- In the same page, line 35 also you need to check the reference Mirgichan you wrote in different style. 5- In page 2, the reference Sohaib, 2020 needs to check the authors names. 6- In my opinion, I think it will be better if you write the references in the introduction with numbers, for example, Mirgichan et. al [7]. 7- Please, put the title for all the figures in the middle and reduce the distance between lines. 8- In page 7 section 3.2 line 2 you write growth by Smith, put the number of reference Smith [9] or (see [9]). 9- In page 8, the paragraph after figure 11 please check the font that used, its different from other paragraphs, should all the paragraphs the same font and size. 10- Please follow the structure of the journal to write the references, especially [7], and [9], write the authors names correctly. 11- The reference number [15] wrote science direct, but this article published in Infectious Disease Modeling Journal. 12- The reference number [16] this book published in John Wiley & Sons. 13- I suggest using the BibTeX or Mendeley or other programs that can help you to avoid any mistake to write the references. 	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
