

**SDI Review Form 1.6**

Journal Name:	<a href="#">Journal of Advances in Medicine and Medical Research</a>
Manuscript Number:	Ms_JAMMR_53675
Title of the Manuscript:	Analytical study of the periodicity of blood microfilaria in blood donors consulted at Buta General Reference Hospital in the Democratic Republic of Congo
Type of the Article	

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	A beautifully written article that will be useful for literature.  This study provides information on the nocturnal periodicity of Loa loa observed in donors who donate blood at night at the Buta General Reference Hospital, in contrast to its known diurnal periodicity.	
<b>Minor</b> REVISION comments	The introduction section should be shortened, written quite long.  Table 7. Samling time 07 is correct??  References should be re-checked according to journal rules.	
<b>Optional/General</b> comments		

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	

**Reviewer Details:**
