

SDI Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_52280
Title of the Manuscript:	Optimization of <i>Aspergillus niger</i> α -amylase activity for enhanced Glucose production from Cassava starch
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Please add more references in the discussions that compare your findings with the other researchers findings	
Minor REVISION comments	Please revise the punctuation signs and the chemical formulas. In the references section please use the same format for all references.	
Optional/General comments	This paper presents the study for the optimization of the hydrolytic activity of <i>A. niger</i> α -amylase on cassava starch. The study is ok structured and well organized, could be of interest for the researchers in the field.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
