PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>1-Methodology section is weak, theory building and its history may be discussed at detail keeping in view the growth and the development theories only 'Dependency Theory' in the context of this research question is not sufficient.</p> <p>2-KOF Globalization index is not explained well for students and learners, and estimation of globalization index over growth data has not been justified i.e Are index value and annual observations compatible to use in regression.</p> <p>Empirical section is sound, well explained and provide robust and reliable results. Language skills and presentation of material in paper is good.</p>	
Optional/General comments	Suggested material for improvement in following research papers is suggested for author DOI: 10.31384/jirmsse/2017.15.2.8
