

SDI Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_56916
Title of the Manuscript:	Optimizing the use of hydroxychloroquine in management of COVID-19 given its pharmacological profile
Type of the Article	Review Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>The manuscript is scientific robust and technically sound. The authors should react to my suggestions and comments:</p> <ol style="list-style-type: none"> 1. Rewrite your abstract. It doesn't give a summary of the entire study. 2. Add more keywords. 3. Bold all your headings/subsections and give them numbers as well. 4. Expunge the heading "COVID-19 an overview" just after the Introduction. An Introduction should capture the essence and rationale of the study. 5. References and in-text citations should be done according to the Journal recommended style. 6. Citation needed for HCQ structure. 7. Reframe majority of your subsections headings to suit the write-up. 8. Do a scan check for grammar and typographical errors. Also, remove unnecessary statements and headings. 9. Please, what is the knowledge your work will teach the wider audience? 10. Justify your research and suggest way forwards. 	
Optional/General comments
