

SDI Review Form 1.6

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_52608
Title of the Manuscript:	A comparative analysis on maritime disaster management between Korea and Sweden
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link: (<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Compared to the case in Sweden, five policy recommendations should be considered: (1) appoint a non politicised task force capable of carrying out thorough investigations without a predetermined deadline for final reporting. (2) To establish the public Sewol archive similar with the Estoniasamlingen. (3) Expand resources available to frontline workers in charge of safety and rescue. (4) Moving the national audit body to the legislature. (5) Internationalisation of policy lessons derived from the tragedy of the MV Sewol.	
Minor REVISION comments	This only a comparative suggestion, so I have no comment	
Optional/General comments	Could be accepted	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
