

SDI Review Form 1.6

Journal Name:	Advances in Research
Manuscript Number:	Ms_AIR_53792
Title of the Manuscript:	Age and Marital Status as Predictors of Undergraduate Students' Academic Achievement in Tertiary Institutions in Nigeria
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none"> 1. Grammatical mistakes were found throughout the paper 2. References should be updated by incorporating new related studies 3. Sequencing in paragraphs should be reconsidered 4. The process of sample selection should be more comprehensively explained 5. In discussion try to include only those studies who support your findings instead of reporting results of all studies 6. Researcher claims to use simple and multiple regression analysis for determining the effect of marital status and age but in study only tables of simple regression analysis were provided 	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
