<b>Compulsory</b> REVISION comments	Thank you for your letter and for the offer to review the manuscript Ms_AJOPACS_64531. I briefly looked through the manuscript and I can definitely say that I cannot recommend it for publication in the journal. The manuscript is not only poorly written, but also contains a number of methodological errors indicating poor knowledge of the subject by the author. I will try to write my comments within a few days. At the moment, I see no way to improve the manuscript, and therefore I have to say that my answer will be negative
