PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In Igbo culture, the first son is the head of the family/custodian of the tradition. Does the author hold it true...because in present research era correctness of such proverb can't be substantiated?	
Minor REVISION comments	Content analysis application might be explored.	
Optional/General comments	Textual analysis used for the present study is appropriate. The use of the word incognizance is not clear. Please refer MS for more suggested corrections	

PART 2:
