Title of the Manuscript:	CONSTRAINTS FACED BY WOMEN ENTREPRENEURS
Type of Article :	

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>I see the author/s did not follow my review comments.</p> <ol style="list-style-type: none"> 1. I recommended they write research methodology with all its aspects. They did not do it. 2. I indicated that the author/s should include a literature review. They did not do it. <p>NB: I want the author/s to go back to me previous comments and check them section by section and correct accordingly.</p> <p>I have now written research methodology aspects for them. They must go and get information that must be written under each of them.</p> <p>The abstract should be formatted according to</p> <ul style="list-style-type: none"> -what the study investigated -brief background about the problem -research design followed in the study -key findings of the study -recommendations <p>NB: They should not be in a rush to have the manuscript published but to write a quality paper.</p> <p>This manuscript must also be professionally edited for the language.</p>
