PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper has a great contribution on literature and methodology, in the case of a developing economy. The method is suitable and acceptable. The language and the structure of the paper are too good. I have a minor suggestion to the authors. The references of the paper should follow APA regulation. And you should add JEL classification codes on the abstract. You should study this paper for the revisions: Oil price shocks against stock return of oil and gas-related firms in the economic depression: a new evidence from a copula approach. Cogent Economics & Finance, 8(1), 1799908.	
Minor REVISION comments	I have a minor suggestion to the authors. The references of the paper should follow APA regulation. And you should add JEL classification codes on the abstract.
